General Instructions

- Students are informed to go through the general instructions given below before preparing the assignments.
- The students are instructed to write the home assignments in **A4 papers** and then scan the assignment into **PDF** format and send the PDF file to the chemqgdc@gmail.com email ID within **28th June, 2021 (11.30 PM)**. The subject of the email must contain **name of the student, registration number with year and name of the paper**.
- The title of the assignments should be mentioned at the beginning. Students are also instructed to write their names, registration number with year, name of the paper and title as well as name of the college and contact no in the front or title page.
- **Full mark for the assignment is 20.**
- The answers of the home assignment should be original, to the point and simple as far as possible. **Plagiarism** in any form, if found, will be punishable.
- The **hard copy of the assignments must be preserved** so that it can be submitted to the respective teacher/University authority whenever asked to do so in future.
- For any query, students are asked to contact the respective teacher of the department without any delay.
