

**Government General Degree College, Manbazar-II**

**Susunia, PO-Kumari, District-Purulia, Pin-723126**

For Internal Assessment, student/s of 2nd semester Program Course (Pass course) need to submit a Project work on any Environmental issue, like **Climate change, Greenhouse effect** etc. It will carry 20 marks in your 2nd seminar final examination result.

You need to prepare Project on A4 size paper. Project volume may be 5 to 6 pages. You have to submit this at your college at the end of June, 2021.

Submit those online via Email of the department (**somenath.prl@gmail.com**)

Please keep the prepared project work with yourself. After completing the project work you may also scan this and send it to your teacher.
