Memo No. - 166/GGDC/MAN-II/2017

Date: 13.9.2017

Quotation Notification

Scaled quotations are invited by the undersigned for purchase of the listed articles by the department of Physics of the college as and when required during the session 2017-2018. Purchase will be controlled by the following conditions:

1. GST No., WBST No. and PAN No. with corresponding required documents.
2. Supply of the articles must be registered by authorized stockiest/agents or manufacturer as usual terms and conditions of payments in Govt. Offices.
3. The quotation should indicate clearly the quality, name of the manufacturer, details specifications of each item along with rate / discount offered.
4. Terms and condition for purchase may be done on the basis of Rate Contract wherever applicable.
5. Printed catalogues, Literatures and current price list should be sent.
6. Cover of the quotation should be superscripted "For Physics Department".
7. The department reserves the right to accept, reject any tender in part or full without assigning any reason.
8. Quotation may be submitted within **21** (twenty one) days from the date of publication of this notice. Quotations will remain valid up to 31st March, 2018.
9. Date of opening of the sealed covers is the next immediate working day after last date of tender submission. Vendors may be present if they so like.
10. The suppliers have to supply all the work order items **within one week** from the issuing date.
11. Suppliers are requested to submit their experience certificate, issued by different institute where they supplied the laboratory items.

** For further details the department may be contacted on any working day.

Terms and conditions: Please see the notice issued from the office of the Principal,
Government General Degree College, Manbazar-II

Rate contracts for the following brands are invited in order to purchase. All rates should be inclusive of GST and any other incidental charges. Prices should be net and no carrying cost or installation charges will be entertained in any case. Differential rate for a brand that depends on GST to be charged on the nature of chemicals and/or glassware will not be entertained; a single rate for a particular brand (independent of GST or any other factors) will only be considered.

List of Tender items 2017-18

List of Equipments Required

Sl. No	Name/ Specifications of the items
1	Dry cell holder (copper made)- for holding 1.5 V cell
2	Travelling microscope with 3 motion arrangement- WITH Vernier constant 0.001 cm. DEVCO MAKE
3	Rechargeable LED torch (good quality) (should be convenient to use in recording data in experiments)
4	Rechargeable LED TABLE LAMP - convenient to use in recording data in experiments
5	Full experimental set to determine the Moment of Inertia of a Flywheel- (Heavy type)
6	Full set to determine the Young's Modulus of a Wire by Optical Lever Method- heavy type
7	Full set to determine the Modulus of Rigidity of a Wire by Maxwell's needle
8	Full set to determine g by Bar Pendulum- Heavy type
9	Full set to determine g by Kater's Pendulum- good quality
10	Full set to study the Motion of a Spring and calculate Spring Constant
11	Full set to compare capacitances using De'Sauty's bridge.
12	Full set for Measurement of field strength B and its variation in a Solenoid
13	Full set to determine the coefficient of thermal conductivity of a bad conductor by Lee and Charlton's disc method
14	Full set to determine the temperature co-efficient of resistance by Platinum resistance thermometer
15	Full set to Measurement of Planck's constant using black body radiation
